Our Mission

“To enrich the lives of Alexandria Area Young Professionals in their 20s and 30s through networking, education and community involvement.”

The Alexandria Area Young Professionals (AAYP) hosts monthly luncheons held the first Thursday of every month where you have the opportunity to network, learn more about the Alexandria area, and explore new ways to get involved in the community.

Throughout the year, the AAYP also hosts quarterly social events at local businesses to enjoy a number of networking activities. Be sure to check our Facebook page for information about the next social event!

Testimonials

“AAYP has been a great opportunity to meet other professionals that I otherwise wouldn’t have met. It’s nice to network with people that are on the same age level as I am. The speakers and the activities have all been relevant to our professional lives and life in general which make the luncheons interesting and fun.”

**- Rosalyn Shelstad, Interior Designer,
Ravnik & Co.**

“I joined the AAYP when the program began as an opportunity to network with individuals around my age. As the group’s membership has grown, it has been a great networking opportunity both professionally and personally. The speakers that have been brought in have been both educational and entertaining. If you are a professional under the age of 40 and are not involved, you should be!”

- Matt Gilbertson, Viking Bank
