MEET YOUR LEADERSHIP TEAM

Becca Lillemoen is the current Member-at-Large for the Alexandria Area Young Professionals and works as the Marketing Communication Specialist at Alomere Health.

Becca grew up in Prior Lake, MN and is a 2015 graduate of North Dakota State University with a bachelor's degree in Marketing. After graduation, Becca proceeded to start her career in the ever changing, fast-paced healthcare industry and has been with Alomere Health since February of 2018. Passionate about making a meaningful difference, her role at Alomere Health was a natural fit. Becca was an essential role in the extensive organization re-branding from Douglas County Hospital to Alomere Health, through various marketing communication efforts within the organization and throughout the community.

Just at the beginning years of her career, Becca is eager to grow as a marketing professional and leader in the Alexandria community. When Becca is away from the office, you will likely find her spending as much time as she can on the lake, golfing, traveling with her husband Jordan, and spending time with family, friends and their pets (Kettle and Smokey).
