

LISTEN & LEARN

HR FOR SMALL BUSINESSES

Many small to midsize businesses don't have the budget for a Human Resource staff member; however, if they have employees, they still have a Human Resource need. This session will provide an overview on HR topics to be aware of including Accommodations, At-Will Employment, Discrimination, Harassment, Job Descriptions (including Employee Classifications), Employee Handbook, Interviewing and Hiring, Onboarding and Training, Benefits, Performance Evaluations, Record Keeping, Terminations, and more.
